SPECIAL MESSAGE

The City of Gig Harbor recently became aware that some banks and financial institutions have changed the way they process online bill-pay payments resulting rejected payments to our customers. If you use bill pay through your bank, please double-check that your bill-pay information matches exactly what appears on your utility bill. Be sure to enter the nine-digit account number, with all leading and trailing zeros and dashes (ex: 001234-000), and that your name matches the one shown on your bill so your payment can be properly credited to your account. Most customers have not been affected by this change. If you believe your payment may not have processed as it should have and need additional assistance, please reach out to us at (253) 853-9251 or (253) 530-7030.
